Administrative and Financial Advisory

---

Didier Frey is the founder of **MonConseiller.ch**, an advisory activity dedicated to individuals, entrepreneurs and small organizations seeking reliable support in organizing and managing their administrative and financial matters.

He holds a **Degree in Commercial and Industrial Sciences from the University of Geneva** and has developed, throughout his professional career, solid experience in the banking, financial and administrative sectors.

During his career, he has worked within **banks, asset management companies and public administration**, notably at the **Debt Collection Office of the Canton of Geneva**, acquiring a thorough understanding of institutional structures, financial mechanisms and Swiss administrative procedures.

Over the years, he has also assisted entrepreneurs and small organizations in organizing their administrative management and supporting certain accounting and administrative processes, in collaboration with fiduciaries and other specialized partners.

Through **MonConseiller.ch**, Didier Frey offers an approach based on **rigour, discretion and pragmatism**, with the aim of providing clear and structured solutions to administrative situations that can sometimes be complex.

Fluent in several languages and with international experience, particularly in **Brazil**, he mainly works with clients in **Valais and French-speaking Switzerland**.
